

Bylaw No. 720, 2026

A bylaw to repeal and replace a System of House Numbers for the community of Oona River

WHEREAS the Extended Service House Numbering Bylaw No. 244, 1994 authorizes the Regional District to number buildings within the District;

AND WHEREAS the Regional District wishes to replace the existing house number system established by the Settlement of Oona River House Numbering Bylaw 354, 1998;

NOW THEREFORE the Board of the North Coast Regional District, in open meeting assembled, enacts as follows:

1. Citation

This bylaw may be cited for all purposes as the *North Coast Regional District Oona River Civic Address Bylaw No. 720, 2026*.

2. Repeal

The “Oona River House Numbering Bylaw 354, 1998” is hereby repealed.

3. Bylaw

3.1 A system of house numbering is hereby adopted for the Settlement of Oona River. The said system shall be shown on the plan attached to and forming part of this Bylaw; which plan shall be known as "Schedule A of Bylaw No. 720".

3.2 House numbers shall be assigned to structures based upon driveway access to a publicly accessible and named road as depicted in Schedule A; where the address ranges have been determined based upon distance along the centerline.

3.3 Where multiple structures rely upon the same driveway access, Unit Numbers shall be assigned to each structure or unit within a structure.

3.3.1 Unit numbers for separate structures shall be assigned based upon the order of access from the driveway.

3.3.2 Unit numbers in multi-unit structures shall be assigned 3 digit numbers corresponding to floors, where the First Floor shall include addresses from 100-199; the Second from 200-299, and so on.

3.4 Where driveway access is along the North and/or East side of the road, structures shall be assigned Odd Numbers. Where driveway access is along the South and/or West side of the road, structures shall be assigned Even Numbers.

3.5 Numbers assigned to buildings and structures shall be so placed as to be easily read from the road upon which such building or structure is deemed to front as indicated by the numbers assigned on the aforementioned Schedule 'A';

3.6 The Board may, at its discretion, order that any numbers attached or otherwise applied to any building or structure that are incorrect and cause confusion, be removed.
