NORTH COAST
REGIONAL DISTRICT

Board Highlights

September 2026

Delegations:

The delegation presented the NCRD NG9-1-1 Feasibility report including a summary of work undertaken, considerations of feasibility for NG9-1-1 implementation, and the recommended approach. The Board thanked the delegation for their work and the delegation advised that they will work with staff on next steps.

Board Business:

1. The Board resolved to send correspondence to the North Pacific Timber Corp in support of the Rooted Here: Haida Gwaii Manufacturing Initiative.

2. The Board received reporting on the confirmed 2026 UBCM Convention meetings with Ministers and the Premier to discuss items of importance to the North Coast and Haida Gwaii Region

3. The Board passed first reading of Bylaws No. 721, 2026 and 722, 2026 being bylaws to amend the Sandspit Moresby Island Official Community Plan and Sandspit Moresby Island Interim Zoning bylaw under consideration of zoning application 2026-001.1.

4. The Board adopted Bylaw No. 473.3, 2026 being a bylaw to amend the Sandspit fire protection grant in aid local service.

5. The Board resolved to send correspondence to the Village of Port Clements in support of the planned Mini Peaks Legacy Project.

For complete details of NCRD Board meetings, the Agenda and Minutes are posted online at www.ncrdbc.com.
